No Match for Team Kingsley

Eight Kingsley Club members packed up and flew south to Whispering Pines near Houston, TX in efforts to defend the Whispering Pines/Kingsley Club Challenge Cup. Kingsley led by only one point with single matches looming.

Team Kingsley roared out of the gate to earn the cup over a strong

Whispering Pines team by 8 points! The victory proved to be the first for Kingsley on Whisperings' turf! This home and home event has gained in popularity and proved to be another great Kingsley Club bonding experience! A special thank you to all that made the trip!

Kingsley Captures DeVries

Once again home field was a major factor in this year's DeVries Cup competition. With pleasant weather and perfect scoring conditions, Team Marquette was hard-pressed to find another reason for the shellacking applied by the Kingsley Squad. When the dust had settled, Kingsley had recaptured the

Cup with an impressive 11-5 margin. After a thorough investigation, the accusation that Marquette's lodging arrangements were purposefully changed to give Kingsley an unfair advantage proved unfounded! Special thank you to all that participated!

VS.

October 22nd was the date of the first annual Michigan vs. Michigan State Golf Challenge held at The Club. Thirty-two alums, friends, and supporters competed in an eighteen hole, better ball with handicap team event. The match proved to be a precursor of the upcoming football game, as the M.S.U. team bested the U.M. faithful by a mere two shots, with the aggregate net score of 258 to 260.

Leading the way for M.S.U. were Bob Lober and Mark Newhouse with a scorching net 61. Posting impressive results for the Blue side were David Whiteford and David Lint with a 63. To continue the football analogy, Brad "Haji-Sheik" Crawford pulled two three footers or we would have gone to overtime.

The Kingsley Club would like to send a special thanks to Mr. Tommy Koops (America's Greatest Host) for entertaining Team Kingsley at Carlton Woods during the Challenge Cup!
