## Spring Opens with Great Event

Sunny skies and warm temperatures greeted an enthusiastic field of 68 players for this year's Spring Outing. Members from as far away as Texas and Arizona were among the group on hand to witness some stellar play by many teams.

Finishing first in the gross division of the two best ball of four format was the team of Dr. Peter Vasiu with his guests, Guy Samples, Jerry Gunthorpe, and Trevor Wolfe. They fashioned a remarkable 132, ten under par in ideal scoring conditions.

First place in the net division was captured by the team consisting of David Whiteford, Dr. Don Piche', Scott McLeod, and Ken Rose. They carded a blistering net of 120, 22 under par. Finishing in a tie for second with the score of 125 were the teams of Brad Jurik, Jim Shearer, Ed McHugh, and Stephen Tooker equaling the efforts of Sal Durso, Ruben Levinson, Steve Przeracki, and a weak

fourth. Alone in third place was the foursome of Chairman Ed Walker, George Vidu, Jim Grimes, and Tim Knapp with a score of 129.

The food and beverage department, headed up by Ms. Jamie LaForest, provided all with an excellent dinner service.

Kudos must also go out to the vaunted Kingsley Club maintenance staff, as many players marveled at the early season condition of the links.

Thanks to all who participated and special thanks to Steve and Justin for their organizational efforts.

## *Reaping the Rewards*

Helping to build a great golf club is tough, generally unrecognized work. But as most of you are aware, it is work most efficiently accomplished by the membership. In appreciation of these efforts, monetary considerations aside, the Club would like to mention a few of the Members that have done yeoman's work in this regard.

Sponsoring enough guest rounds to earn complimentary golf already this spring are:

Dr. Matt Gietzen, Bob Lober, and Doug Rentschler.

Introducing three new members was Gee Aldridge. The Club thanks these Members for the exemplary efforts.

## *Hiking and Biking*

In the continuing effort to add useful amenities to the Club, two mountain bikes have been made available to Members and Guests for their use on the extensive trail system.

Many Members are unaware of the roughly 200 non-course acres that exists for the sole purpose of outdoor enjoyment.
