Helping Hands for Haiti

Chairman Edward C. Walker traveled to Port Au Prince in the aftermath of the earthquake to help distribute aid he procured from friends and business associates. In experiencing the devastation firsthand, Mr. Walker was moved by the resilience of the Haitian people and the efforts of the international community to help in this time of need. If you'd like to help, but don't really know where to start, the Chairman would be happy to talk to you.

Challenge Cup at Whispering Pines

The Members and staff of Whispering Pines once again hosted the Kingsley Club this December. Traveling to Trinity, Texas to represent Kingsley were: Mike Cushing, George Vidu, Andrew Chapman, Matt Gietzen, Dave McManus, David Plassman and Brian Conklin. The Whispering team did everything in their power

including the second snow-storm in 30 years. With the mercury rocketing into the thirties every day, some players found that discretion was indeed the better part of valor, and abbreviated the planned 45 hole event to 36. With the outcome in the balance, fine performances by Cushing and McManus proved to be the difference in Kingsley's favor
