Golfweek Retreat

Chairman Edward C. Walker welcomed 39 Golfweek Magazine contributors and friends on August 18th for a round of golf, cookout, and a question and answer with course designer Mike DeVries. Dr. Gary Wiren spoke to the welcoming group about his love for the game of golf and his passion for the Kingsley Club.

Golfweek magazine has been one of the Kingsley Club's biggest supporters by continually recognizing the course as one the nations best. Golfweek currently ranks the Kingsley Club as the 18th Best Modern Course in America. Thank you to all of the Golfweek family for allowing us to be a part of your special retreat!

Tee Up Fore Kids

Chairman Edward C. Walker has generously opened the doors to the Kingsley Club in an effort to help raise money! The Child and Family Services Foundation has set up a fundraiser on September 8th starting at 10:00am here at the Kingsley Club. The Child and Family Services Foundation has aided over 3000 individuals over the last year and works to support and nurture children and families in Northern Michigan through: treat-

ment for young victims of abuse, individual and family counseling, adoption service, and foster care placement and home licensing. Child and Family Services has continued to help our community since 1937. This year's field is full to capacity so if you wish to play the club that day, the course will reopen for play at 3:30pm that afternoon. We appreciate all members cooperation towards this great cause!
